Policy: Community Access Identification

Purpose: To Manage Gate Access in such a way as to provide a safe community and protect the property values for all of Pelican Landing in an efficient, flexible manner.

Procedures: Upon arrival at the gatehouse each driver will be required to provide a current Valid Driver's license to the on-duty Privacy Officer; which will then be optically scanned into the Access Control System. Those drivers who are unable to provide such identification will be denied entry. Exceptions can be made on a case by case basis by the PLCA Administrative Office. Vacationing house guests and special club\ golf events will be required to show a valid license.

"Upon entering Pelican Landing, pedestrians & cyclist will be required to provide, upon request of Gatehouse Officers, a valid PL photo ID or Guest Pass. Those unable to do so may be denied access."
